PUBLISHER'S STATEMENT

Aurum Editora DECLARES, for the purposes of rights, obligations, and legal or methodological aspects, that:

This publication represents only a temporary transfer of copyright, granting the right to publish and reproduce the materials. The Publisher assumes no responsibility for the authorship of the published manuscripts, in accordance with the provisions of the Copyright Law (Law 9610/98), Article 184 of the Penal Code, and Article 927 of the Civil Code. The author(s) are solely responsible for ensuring compliance with copyright issues and other legal aspects, exempting the Publisher from any civil, administrative, or criminal liability that may arise.

The authors are authorized to DISCLOSE THE WORK in lectures, courses, events, media and television programs, provided that due recognition of authorship and editing is given, without commercial purposes, and that CREDITS to Aurum Editora are duly presented. The omission or exclusion of this information will be the responsibility of the author(s) and the publisher.

All e-books are open access, therefore they should not be sold on websites, e-commerce platforms, or any other medium, whether virtual or physical. Thus, there is no transfer of copyright to the authors, since the format does not generate any rights other than the educational and advertising uses of the work, which can be accessed at any time.

All members of the Editorial Board are volunteers and hold undergraduate or graduate degrees in their respective fields.

Aurum Editora does not authorize the sale or sharing of authors' names, emails, or any other personal data, except for the dissemination of this work, in accordance with the Brazilian Civil Rights Framework for the Internet, the General Data Protection Law, and the Constitution of the Federative Republic.

AUTHOR'S STATEMENT

The author of this work DECLARES, for the following purposes, that:

He/she has no commercial interest that could generate conflict in relation to the published content;

He/she declares to have been actively involved in the preparation of the manuscript, preferably in the following stages: Development of the study, and/or data collection, and/or data analysis and interpretation, writing of the article or review to ensure the intellectual relevance of the material, and final approval of the manuscript for submission;

Certifies that the published text is completely free of falsified data or fraudulent results, as well as flaws related to authorship;

Confirms that it has correctly cited and properly referenced all data and interpretations from other research;

Acknowledges that all sources of funding that may have been received to conduct the research have been properly declared;

Authorizes the editing of the work, including catalog records, ISBN, DOI, and other indexers, graphic design and cover creation, internal layout, as well as the launch and dissemination in accordance with the criteria established by Aurum Editoria.
